Dear Families

## **Birthdays**

We know how special birthdays are for our children and we appreciate the kindness and generosity of families who wish to share these celebrations with the class.

However, we are increasingly aware of the challenges this creates, particularly around allergies, dietary needs and the added pressure it may place on families to provide something for the whole class. To ensure the safety and wellbeing of all children and to keep things fair and manageable, we kindly ask that if parents would like to send something into school for a birthday, this is limited to a single-portion, individually wrapped item, such as Skittles. Please do not bring in large cakes or party bags. If these items are brought in for birthdays, they will be returned.

There is absolutely no expectation or obligation for families to send anything in for birthdays.

Thank you for your understanding and for your continued support.

Yours Sincerely

Miss Thomas
